The Midas List

#17 David Katsujin Chao

01.29.09, 6:00 PM ET

DCM

2008 Rank: 18 ▲

Age: 42

Dropped out of Brown University medical school and went to work for Apple's marketing department in Japan. Earned an M.B.A. from Stanford and founded a cellular phone and data service in Tokyo. Found early success as a venture capitalist in Chinese chip maker SMIC. Sold TV-on-the-go outfit Sling Media to satellite broadcaster EchoStar in 2007. Currently invested in Outspark (casual online games) and Dangdang.com (Chinese e-tailer).
